MEMORANDUM FOR: Director of Central Intelligence
FROM : John N. McMahon, Associate Deputy
Director for Administration

Sir:

1. As in past years, the Agency has participated in the Presidential Classroom for Young Americans by sending a representative to serve as an instructor and by conducting a seminar in the Headquarters Auditorium on six successive Tuesday evenings during January and February of this year. These seminars were attended by approximately 350 high school students from around the country as part of a one week visit to Washington, D.C. to learn about the internal workings of the three branches of Federal Government.

2. At the end of each week students were asked to evaluate their stay in Washington. Attached are the results of that composite evaluation. We are pleased to note that CIA ranks first by a large margin.
